## WORK OF STATE AGENT.

May 3rd I installed the Mt. Zion Lodge, at Drew, Miss. At this meeting several new members were added to this lodge, and after this a handsome luncheon was served. Then we all returned to our homes, proud that we came out and heard the news spread by C. L. Page, State Agent of the Afro-American Sons & Daughters.

May 6th I installed Silver Cloud Lodge, Coahoma, Miss. After outlining our policy contract and speaking at length of the many good things the organization is doing, several new members were added to that number, and after this a banquet was arranged and we all enjoyed same. Especially the State Agent. He had motored eighty-five miles to fill this engagement and something told him on the road he was hungry.

May 7th I was at Drew, Miss., in company with Prof. T. J. Huddleston, Custodian and Founder of Afro-American Sons & Daughters. At this place Prof. Huddleston installed the Holly Grove Lodge. This lodge was organized by C. L. Page, and set up with 35 members on its charter.

May 8th I installed Klondike Lodge No. 316 at Moorhead, Miss. At this place several new members were added. After this a handsome luncheon was served by the local lodge. Every week I add some new members to Klondike Lodge. I think it is going fine under the leadership of Bro. Carter as its President and Sister Jossie Hughes, Financial Secretary.

My engagements in Bolivar County, Benoit and Scotts, May 10, 11 and 12, were cancelled on account of reports concerning the levee in that district.

May 13 I was at Shellmound, Miss. At this place the Custodian, Prof. Huddleston, had spoken to a great crowd and written forty applications, and on visiting this place I added

eleven more to this number.

May 14 I visited the Hebrew Lodge settlement, writing a few applications for that local lodge.

May 15 I visited Merigold, writing several members for the St. Peter Lodge.

May 16 I made a hurried visit to our office on business and found the Custodian and all his office force busy and jolly as usual.

May 19 I visited Dublin Lodge at Dublin, Miss., and wrote a few applications for this lodge. They invited me to come again soon.

In my state work for this month I find business just a little below normal. Organizing is not so good as I like to see it. I have three new numbers started and they are smaller in number than I like to turn in for a charter.

Total number of applications written in May 57, although I am expecting the month of June to be somewhat better.

Yours for success,

C. L. PAGE, State Agent.

## SUPREME AGENT'S VISITS. ISAIAH E. EDWARDS.

April 26 I visited Walker's Chapel at Doddsville, Miss. This lodge is doing fine, with Mrs. A. L. Smith, F. S. A fine program was rendered. The Supreme Agent spoke and added five new members to the lodge, while the ladies put on a banquet.

April 28, I spoke at Mt. Olive Church at Sherard, Miss. After a wonderful sermon by Rev. Allen, the pastor, the Supreme Agent spoke, and sixteen new members were added. This lodge invited me on their pastoral day to increase their number. Other lodges can do the same.

April 29 I installed the officers of Choctaw Lodge, at Shaw, Miss. A banquet was on for the occasion. Seven new members were added.
